Ponte Vecchio

Le « Pont Vecchio »

The « Vecchio Bridge »

Die « Vecchio Brücke »

Dear Helen &

Elmer,

I'm touring again! This time in beautiful Florence where there are so many art treasures that I've lost count!

Jim is driving here from Naples on Saturday to pick me up. Then we head for southern France where he'll give a talk in

Toulon. Afterwards we

have a whole week to enjoy France (south eastern!)

Love, Vicki
